

MULTI-TRACK FEDERAL CRIMINAL SEMINAR

AUGUST 12 - 14, 2010
TRUMP INTERNATIONAL
BEACH RESORT
MIAMI, FL

The Multi-Track Federal Criminal Defense Seminar (Multi-Track) is designed to offer in depth instruction in a variety of substantive criminal topic areas. This year's tracks will be in the areas of immigration, sentencing, fraud, forensics and computer crimes. The tracks will be presented on Thursday and Friday in a manner that will allow participants the opportunity to attend two complete tracks. In addition, the seminar will also include plenary sessions addressing topics of general interest and importance to criminal defense practitioners, along with the opportunity to attend small group breakouts covering a variety of substantive criminal defense issues.

The Fundamentals of Federal Criminal Defense Track (Fundamentals Track) is an additional one-day track offered during the Multi-Track Seminar. It will take place on Thursday, August 12, 2010. Specifically designed for criminal defense attorneys who are new to the CJA panel, it will offer sessions on topics that every new practitioner should master. After participating in the Fundamentals Track, attorneys are encouraged to participate in the remaining Multi-Track sessions which will take place on Friday and Saturday.
